

OCCONEECHEE LODGE

# ORDER OF THE ARROW

## NEW MEMBER GUIDE

### What is our purpose?

Our main purpose is to give "cheerful service" to anyone who needs help. That can be a District, the Council, or our community. Occoneechee Lodge is responsible for building most of the structures at Camp Durant, and many of our Chapters sponsor a section of highway under the State's "Adopt-a-Highway" program as well as serving entities such as Habitat for Humanity and other non-profit organizations in our own communities.

We promote camping - *all kinds of camping*. Occoneechee Lodge strives to make Camp Durant the best and encourages all members' troops to attend summer camp, either at Camp Durant or elsewhere. We want all scouts and scouters to take advantage of camping programs wherever you go. Your learning experiences should then be put to use by teaching good camping skills to the members of your troop - those who have elected *you* into the Order. ***The first priority of an Arrowman is his troop.***

Hopefully you continue to grow in your knowledge of the Order, but you still owe your loyalty to your troop. You owe your attendance at troop events. You have a responsibility to see that your troop succeeds in its programming for youth in your community. The Order of the Arrow can foster skills development and leadership development, but you have the obligation to utilize what you learn in the support of your unit.

### A Brief History of Occoneechee Lodge

Occoneechee Lodge began as an idea when Mr. Claude Humphreys recognized the potential of the Order of the Arrow at the 1937 National Jamboree. The national organization approved our application August 30, 1937.

Early in 1938, the new lodge members voted to take on the name of the council; thus we became Occoneechee Lodge, the one hundred and fourth Lodge in the Order, adopting the Thunderbird as our lodge totem. You may hear members yelling "Pass the Word-Thunderbird" or "We Are Number One---O---Four" at lodge and section events.

After World War II, Camp Durant became the council's first camp. Occoneechee Lodge has continued its role in leadership with youth and adult members in key positions on the Section, Regional and National level. Today youth and adult Arrowmen work together to keep Occoneechee Lodge a strong member of our section, Southern Region-7B.

## About Our Lodge

We are a Youth led organization. That is, the youth members have full control of the program of the Lodge. Youth members are the only ones who have a vote on any matter of Lodge business - adults have no voting privileges.

Occoneechee Lodge has elected officers consisting of a Chief and four Vice-Chiefs; Program, Administration, Communication, and Finance. Each of these officers has an adult Adviser who is responsible to see they succeed. We have a Key Three just like other Scouting divisions. Advisers are appointed annually by the Council Executive.

The Lodge is governed by an Executive Committee (LEC) that is made up of the Lodge Officers and the Chiefs from each of our ten chapters; one per district. You met the current Lodge officers at the Forum and you attended your first Chapter meeting just before your Induction Ceremony. The LEC meets a minimum of four times a year to conduct the Lodge's business. These meetings are few and far between, as most issues can be acted upon by the LEC with input from our Chapters through their Chiefs.

The best way to get involved in the Lodge is by serving on one of our standing committees. As you become more aware of the Lodge program, you may bring a special interest to the Lodge by serving on a committee of your choice and possibly serving as the Chairman of the committee.
