Service to Our Trails

A Limited Edition of 100 Fund Raising Chenille's are being sold for \$50.00 each to fund this project. This very simple but symbolic design will be a chenille to show your support for the SR-7B Trail Crew Program. The six chains at the top represent the six Lodges within SR-7B, and how we "weld tightly every link." The fund raising chenille will be slightly different from the chenille that will be given out as the award. Once there gone, they are gone! See the Design at the Bottom.

The SR-7B Trail Crew Award was created by Occoneechee Lodge 104 to assist the trails in the state of North Carolina, and introduce our Arrowmen to outdoor clubs across the state. A minimum of 100 hours of trail service will earn you a back-patch chenille by giving cheerful service to what we all love – a good hiking trail.

Requirements for the award:

- 1) Youth and Adult Arrowmen are eligible.
- 2) The award applies to the trails of North Carolina only.
- 3) A minimum of 100 man-hours of trail service must be performed. Written documentation with locations, dates and signatures are required and due to Occoneechee Lodge #104 three weeks prior to Conclave.
- 4) "Trail Service" is defined as flagging, construction or maintenance on a North Carolina trail.
- 5) Hours done on BSA property will NOT be counted as trail service.

There is no limitation to the number of times the award can be earned (e.g. If Johnny Scout does 300 hours of service he can apply for three awards).

"The Order of the Arrow is a thing of the outdoors rather than the indoors. It was born in an island wilderness. It needs the sun and rain, the woods and the plains, the waters and the starlit sky."
